This resource includes **34** monthly writing pages. There are three versions of each page included (solid story starters traceable story starters, and without story starters), for a **total of 115 pages**.

## Each page includes:

- Large writing lines specifically for young writers
- An area for students to illustrate their writing
- A writing convention checklist
- A themed word bank with illustrations

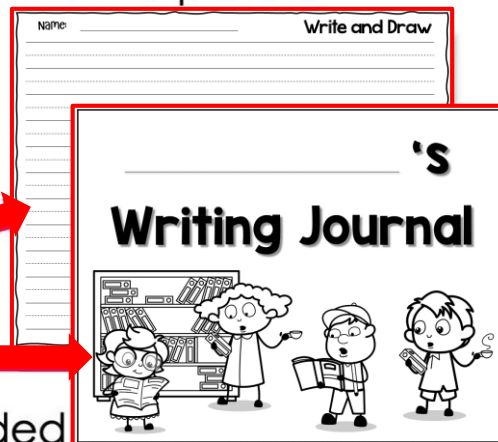

A writing conventions checklist is included at the bottom of each page.

This will give students a visual reminder to:

- Use a capital letter
- Use finger spaces
- Stretch out words
- Use punctuation
- Draw a picture

A blank page is included for students who would like to write more.

If you'd like to turn these into a writing journal, an optional front cover is included
