II Activities

Numbers I-20

No Prep Packet

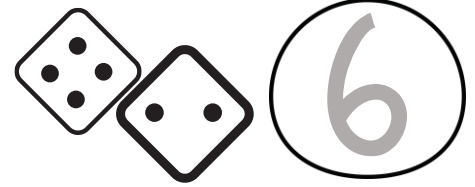

Multiple overlapping worksheets titled "All About the Numbers" are displayed. Each worksheet includes various activities such as coloring, tracing, and writing. Examples of activities include:

- Number 15:** Find and color the number 15, color 2 cubes, and find and color the number 15 (15, 13, 15, 14).
- Number 6:** Find and color the number 6, color 6 base ten blocks, and show 6 in a ten frame.
- Number 20:** Find and color the number 20, color 20 base ten blocks, and show 20 in a ten frame.
- Number 10:** Color 10 hearts, color 10 base ten blocks, and show 10 in a ten frame.
- Number 3:** Color 3 stars, color 3 base ten blocks, and show 3 in a ten frame.

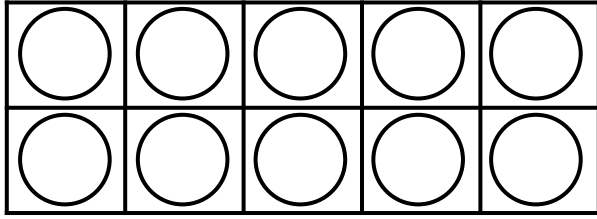

The worksheets also feature ten frames, ten blocks, and various number-related illustrations.
